

**Directions to the
NJEDA Construction Office
(Bird's Eye View)**

1. Once through the Nuclear Checkpoint, follow the signs that are onsite and make a Right towards the PSEG Learning and Development Center (LDC).
2. Make a left to drive west, past the north side of the LDC.
3. Just past the LDC, make another left and proceed to the guard booth at the entrance to the construction trailers.
4. The guard will direct you to Trailer #4.
