

NEW JERSEY WIND PORT TOUR APPLICATION

INSTRUCTIONS: *Fill out form in its entirety. Context to your visit is important as it will dictate who will facilitate your visit. Tour will not be scheduled without submission of this document. Must be submitted (2) weeks prior to planned visit, unless otherwise agreed on with NJEDA's on-site team. After submission of this document, a team member will call or email you to further discuss the permissibility and logistics of the visit. The person who fills out this application will be responsible for distributing and returning completed registration and waiver forms from each person in their party prior to arriving on site. Please email completed application to Sabrina Burns at sabrina.burns@njeda.gov*

KINDLY NOTE: The NJWP is a live construction site. All visitors will be required to abide by requisite site health and safety standards and procedures including the wearing of Personal Protective Equipment (PPE) – specifically Hardhat, Safety Vest, Steel Tip Boots, Safety Glasses and Gloves. Visitors lacking their own PPE will be provided PPE (less boots) upon arriving at site.

All visitors are required to be escorted by a nuclear awareness trained site representative while at site.
